Enclosure: - Press statement dated 12 November 2003 "Orange Board to appoint Sanjiv Ahuja as Director".

Orange Board to appoint Sanjiv Ahuja as Director

Paris/London, 12 November 2003 - The Board of Directors of Orange SA met on 4 November 2003, under the chairmanship of Thierry Breton. It was decided to propose Sanjiv Ahuja as a new Board Director to the next Orange shareholder meeting. Until that time, Sanjiv Ahuja will be invited to attend Orange SA Board meetings.

Sanjiv joined Orange SA in April 23, 2003 as Chief Operating Officer. He was previously CEO of Comstellar Technologies, a California-based company focused on creating and bringing to market innovative communications technologies. He was a co-founder of the company in 2000, whose financial partners include Goldman Sachs, JP Morgan and Lehman Brothers. Prior to this he was president of Telcordia Technologies, providers of consulting services and communications software used by 80 per cent of the US telecommunications network.

Sanjiv began his career at IBM in 1979 as a software engineer, and went on to hold a variety of roles in software development, design and marketing at IBM until 1994. He has a degree in electrical engineering from Delhi University, India, and a Masters in computer science from Columbia University in New York.
